

CALL FOR PAPERS

For

International Conference on Mathematical Analysis & its Applications

South Asian University , New Delhi, India

December 22-24, 2025

High quality and unpublished papers from the speakers and registered participants are invited for the publication in the special issue of Journal of Nonlinear & Convex Analysis (JNCA). JNCA is indexed in several data bases, e.g. Scopus, Math. Review, Web of Science etc. Papers should be according to aims and scope of JNCA, especially from Nonlinear Analysis, Fixed Point Theory, Convex Analysis, Differential Equations, Operator Theory, Optimization, and Applications of these areas to Mathematics, Economics, Finance and Engineering are encouraged. All papers will be reviewed as per JNCA policy. Article processing charges (APC) will be applicable on accepted papers (US\$ 100 for 10 pages paper, US\$ 200 for 12 pages paper and US\$ 300 for 15 pages papers). Send the PDF of the paper typed in LaTeX to "2-icmaa@sau.int". Last date of **Submission is January 20, 2026.**

Dr. Izhar Uddin, JMI, India

Dr. Q M Danish Lohani, SAU, India

Dr. Javid Ali, AMU, India

Guest Editors, JNCA
