

INTERNATIONAL CONFERENCE ON MATHEMATICAL ANALYSIS AND ITS APPLICATIONS (ICMAA-25)

December 22-24, 2025
Department of Mathematics
Faculty of Mathematical Sciences
South Asian University, New Delhi-110068, India

WELCOME

The Local Organizing Committee and the Faculty of Mathematical Sciences, South Asian University are pleased to invite you to participate in International Conference Mathematical Analysis and its Applications which is scheduled to be held during 22-24 December, 2025 in New Delhi, India.

OBJECTIVES OF THE CONFERENCE

The main objective of this conference is to bring together senior and young researchers working in the area of Mathematical Analysis to exchange new ideas and to discuss current challenging issues.

TOPICS TO BE COVERED

All topics of Mathematical Analysis, in particular Fuzzy Logics, Fixed Point Theory, Operator Theory, Wavelet Analysis, Approximation Theory, Measures of Noncompactness, Numerical Analysis, Sequence Spaces, Mathematical Modelling, Real & Complex Analysis, Differential Equations, Optimization, Control Theory, Functional Analysis, and Functional Inequalities.

CALL FOR PAPERS

Original, unpublished papers are invited for presentation in the conference. After peer review the selected papers will be published in the following journals

- **Journal of Nonlinear and Convex Analysis (SCI)**
- **Boletim da Sociedade Paranaense de Matemática (Scopus-indexed)**
- **South East Asian Journal of Mathematics and Mathematical Sciences (Scopus-indexed)**

The papers for the conference should preferably be typed in LaTeX format. The abstract of the paper may kindly submit in Google form by December 05, 2025. For further details follow our conference website.

PROGRAMME

The academic sessions will consist of plenary lectures, invited talks by eminent Mathematicians and contributed papers by young researchers in various technical sessions.
